BATCH:  
DOM:  
DOE:

RFI: 6HCO-Q05F-P00Y-19N3

Insecticide for professional use against flying and crawling insects such as flies, mosquitos, moths, wasps, ants, cockroaches, earwigs, silverfish and bristle-tails, fleas, bed-bugs, beetles, spiders, mites, ticks and lice by application to porous and non-porous surfaces such as brick, concrete, tiles, wood, metal, plastics, carpets, soft furnishings and cracks and crevices.

#### Directions for use:

Add a small quantity of water to a suitable compression sprayer and then add product according to the table below. Add the remainder of the water, close the sprayer securely, shake to mix contents. Pressurise according to the sprayer manufacturer's instructions. One litre of ready-for-use spray treats 20 square metres of surface. Make up spray as required. Do not store spray overnight.

To avoid risks to man and the environment, comply with the instructions for use. The (COSHH) Control of Substances Hazardous to Health Regulations 2002 may apply to the user of this product at work. Avoid excessive contamination of coveralls. Do not contaminate foodstuffs, eating utensils or food contact surfaces. This material and its container must be disposed of in a safe way. Unprotected persons and animals should be kept away from treated areas until surfaces are dry. All bats are protected under the wildlife and countryside act 1981. Before treating any structure used by bats consult Natural England, Scottish Natural Heritage or the Countryside Council for Wales. Hazardous to bees. Action should be taken to prevent foraging bees gaining access to treated nests, preferably by removing the combs or blocking the nest entrance. Do not apply directly to animals. Do not apply to clothing or bedding. Not to be used on pet bedding, pet sleeping quarters or where pets frequently/normally lie. Wash hands and exposed skin before meals and after use. Keep in a safe place. Do not touch treated surfaces until dry.

#### STATUTORY CONDITIONS RELATING TO USE

FOR USE ONLY AS AN INSECTICIDE.

FOR USE ONLY BY PROFESSIONAL OPERATORS.

Users must comply in full with all their legal responsibilities under the Control of Pesticides Regulations 1986 (as amended), including complying with all Conditions of Approval

Read all precautions before use.

HSE No. 8820

air and keep comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
